

## Hillcrest Children's Home

Hillcrest Children's Home is a private Christian residential childcare facility established in 1944 as an Assemblies of God ministry to abused and neglected children.

### Restoring America's Broken Kids

Home for the Homeless

Love for the Unloved

Security for the Neglected

Some arrive frightened and frustrated; others, undernourished and neglected. They have been removed from home because of derelict parents, or have suffered the heartbreak of a home shattered by divorce, or have tragically lost one or both parents.

These are the children who come to Hillcrest Children's Home. It takes time, good care, and warm Christian love to erase the effects of these tragic experiences.

The majority of referrals come from pastors, friends of Hillcrest, and relatives of hurting children. The caring environment at Hillcrest is designed to demonstrate Christ's love to these broken kids.

Children, grouped by age and gender, are provided a homelike atmosphere with balanced diets, proper clothing, and medical and dental checkups to ensure their physical well-being. Daily devotions, chapel services, and regular church attendance minister to their spiritual needs.
